

Aim High, Work Hard, Care Deeply

Coming back to school in a bubble!

Welcome back!!

This leaflet contains very important information about some changes to the routines of the school day. Please read it and keep it in a safe place so you can refer to it again. Write down any questions you may have and ask your adult when you are in.

A bubble is just a small group of people who will spend their time together at school.

You can think of it as a team!

It will include some of your friends and one or two grown ups you will already know from school.

You might not have all of your friends in your bubble, but you will have some of them.

VERY IMPORTANT

You must only use the gate that has been assigned to your year group to enter and exit the premises.

- Nursery— Pedestrian Entrance on the side of the main gate
- Reception & Year 1—Main gate
- Year 6—KS2 pupil path entrance (pupils only)

Your bubble will have some space inside and some space outside. It will be all yours.

None of the children in the other bubbles will come into your bubble space, and you won't go into their bubble space.

One-Way System

A one-way system has been marked out on the drive. You must respect this at all times to promote your safety and that of others.

Even though we won't be spending time with the children in other bubbles, if we see them we can wave and shout 'hello'!

Uniform

You are allowed to come to school in your own clothes, but you must wear fresh, clean clothes everyday. We will prefer you wearing trainers rather than school shoes so you can engage in outdoor sports.

Timings

There will be different start and finish times for different year groups.

- Nursery— 08:30 to 11:30
- Reception— 09:15 to 14:45
- Year 1— 09:00 to 14:30
- Year 6—09:30 to 15:30

Can you remember how to wash your hands?

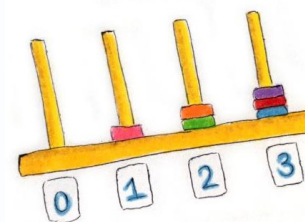

This will make sure that we all start our day with clean and healthy hands.

Water Bottles

Bring your own water bottles to school everyday. This must be labelled and filled with water from home. In school, you will keep your water bottle on your table. At the end of the day, you will be asked to take them home, clean and refill for the next school day.

Your bubble will do all of their activities together.

...work together...

...create together...

...eat together...

...and play together.
