

AP Statistics: Summer Course Work 2020

1. Please read chapters 1 – 3.
2. **Join Google Classroom: ryi7d62**

The assignments are listed with directions and any due dates. You certainly can finish and/or submit before the due date.

Chapter 1 Vocabulary- due before August 14th, 2020, keep for study and review

Book problems- This book lists problem numbers that continue throughout the chapter, rather than begin with one for each section, due before August 14th, 2020

Course Content and Exam Information F2020

Formula Sheet and Tables F2020

Chapter 2 Vocabulary- no due date at present, keep for study and review

Chapter 3 Vocabulary- due before August 14th, 2020, keep for study and review

3. After you have completed the chapter 1 notes/outline and the assignment, read chapter 2 and complete notes/outline and read chapter 3 and complete notes/outline and assignment.

We will discuss chapter 1 and do a few problems along with several activities in the first few days of school. There will be a vocabulary quiz and a test shortly after school begins in August. The next chapter covered will be chapter 3.

I have (or will) set up 'myhomework', I do not know if you will be able to join now or if you will have to wait until August 17th. I will post weekly agendas, when assignments are due, quiz and test dates. This is your main source of information of what and when things happen in class. I have based your current class list on the report I saw in late May. I do not know if anyone else have joined or dropped our class. If you know of, or hear of, anyone who is not on this mailing list, please contact me. I will send a group email in June, please respond.

I will be using Google Classroom throughout the year. Assignments due and other larger files will be found here.

Have a great rest of your summer and I look forward to seeing each of you in August!

May the odds be in your favor,

Mrs. Douglass
