Encourage your child to work during this time!

Dear SW Families,

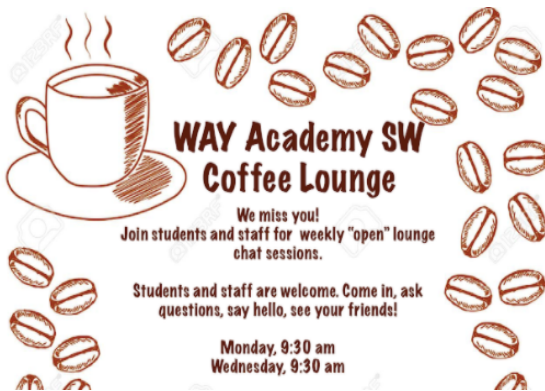

It is very hard to believe that it is June already. All of the staff at Southwest, hope that you and your families are well and have been able to stay safe and healthy during this time. We are proud that we have continued to seamlessly provide a quality education for our students over the past two months. During the month of May, we noted record numbers of students earning Honor Roll recognition, and assisted several students in completing their graduation requirements. We appreciate all of the support we have received from our families, in encouraging students to sign in to HERO and to keep working from home.

Going into June, we hope to see 100% of students earning credit and in attendance. Students are expected to sign in to HERO daily, check and reply to emails daily and submit at least one completed project weekly. One tip is to choose one day each week and ask your student to show you their progress in HERO. Their progress is updated in real-time, so there is not a delay. You may also request parent access into HERO by contacting the office.

Kind regards,
Mrs. Jocelyn Farkas, Director
