June 2, 2020

Dear TCUSD Parents/Guardians,

Bi-Weekly Communication (Tuesdays and Thursdays)

This letter is part of our bi-weekly communication in an effort to keep all of our families informed. Please continue to check your email inbox for messages from TCUSD on Tuesdays and Thursdays. As a reminder, any question or concern can be addressed by emailing our helpline at TCUSDhelpdesk@tcusd.net. Please reach out to us, and we will respond within a 24-hour-period or sooner.

Grab-N-Go Lunches (11am -1pm on Monday, Wednesday & Friday)

We will continue to serve two Grab & Go lunches per child on each day for Monday and Wednesday and one lunch on Friday in the TCHS Student Parking Lot on Temple City Blvd. **Please drive through and remain in your car.** Any students who need to walk to the lunch service will be given special directions for picking up lunch. If a parent can show the student's school ID card, we will serve the lunch to the adult on behalf of the student in case the student cannot be present. No ID card is necessary if the child is present. **Our last day of lunch service will be Wednesday, June 10, 2020.** No summer food service will be provided.

Returning-Student Registration for Next School Year

As summer nears and the end of the school year brings us back together in drive-through form, our team wanted to let you know, as of right now, our 2020-2021 school year returning-student registration days (in August) are scheduled to be virtual and not onsite. The Aeries system will be ready for the mandatory data confirmation that parents need to complete in the beginning of July. When you receive communication that it is open, please follow the steps to complete this process and more information about the school year will be offered at the time of this data confirmation process.

Planning for Next School Year Continues

I truly appreciate the useful feedback from the previous parent survey and countless parent informative emails. Together, I believe we can provide the best learning environment for our students next year even amid the COVID-19 pandemic, which threatens to continue. First, as the majority of our parents have stated that they would like a blended-learning model where students attend school on campus part-time and also receive both asynchronous and synchronous teaching at home part-time, we know many parents are still undecided for various reasons. I have included a letter from the Southern California Chapter of the [American Academy of Pediatrics](#). I found this letter interesting and helpful as we move forward with our plans. Likewise, this next round of surveys asks you to prioritize and rate various elements considered in the decision-making process. At the end of the survey, your additional feedback is welcome. We appreciate your time and your input matters.

Please complete this survey no later than 5pm on June 8, 2020.
