Year 5's Geography Field Walk

Year 5 enjoyed exploring the great outdoors this week when they visited Yateley Common. The children completed an orienteering exercise which helped them put the map skills they have been learning in their Geography lessons into practice.

They also learnt about the way the Common is managed to encourage a diversity of wildlife that live in the woodland and heathland habitats. Everyone had fun and their map reading skills must have been good as no one got lost!

No Ceilings on Learning

Robert Upton's latest blog entry can be found on the School website. The following is a taster:

Putting a ceiling on a child's education is wrong. It is immoral and potentially very damaging to their development.

We are in danger of underestimating the potential of children. As teachers, we are trained to adhere to developmental models, and as parents we feel the pressure to check off a predefined list of specific milestones at each age and stage of development. Whilst these behaviours are natural for parents and teachers who are striving to do the very best for their children, they may at times, often unwittingly, impose limitations. This narrowly defined focus may cause us to miss out on other signs of growth, insight and possibly brilliance from our children. As they grow older, the checklist could become even more standardised when they move into a one-size-fits-all educational paradigm.

Individual and Sibling Photos

Children having a sibling group photo will have been given the time of their photograph by their form tutor. All children will also have an individual photo and the whole tutor group will go to the Gym at the same time for this. If the children are unsure they should check with their form tutors.

Please ensure that children come to school in their full uniform, **including blazers**. They may also bring in their own brush or comb for their hair if necessary. Photographs are taken with jumpers off and blazers on. School colours and badges can be worn on blazer lapels, but any non-school related badges should be removed. Hair should be worn as per the school rules.

Year 7 and 8 Book Buzz

The English Department was delighted to purchase a brand new book for each pupil in Years 7 and 8, through the Book Buzz scheme. Children chose from a range of titles and genres with 'Armistice Runner' by Tom Palmer, a popular choice as the children look ahead to visiting World War

One trenches next year. 'The Crossover', a Basketball book by Kwame Alexander blends story-telling with poetic form was a hit with our sporty children. Others were attracted to the mystery adventure 'Who Killed Darius Drake?' and the spooky thriller 'Still Water'.

We look forward to supporting the children reading these books in their library lesson and to hearing them recommend titles to each other. All of the titles will soon be available in the Senior Section of the library.

Happy Birthday
