Dear BRS Community,

Our hearts are heavy after the egregious death of George Floyd and the way his life was taken. We recognize that this is not an isolated incident in our country's history, and want you to know that Beecher Road School in no way endorses that kind of behavior. Our school family is feeling anger and pain. We stand united with our community against racism and injustice in all its forms. We continue to be committed to the tenets of our mission and vision: Beecher Road School is a caring, creative community that models and inspires the joy of lifelong learning, embraces diversity, and celebrates the unique qualities of each person.

The administrative team and the Community Diversity Committee, which is composed of parent volunteers, staff and administration, met to process, debrief and discuss recent events. As a whole school community, we remain dedicated to working together against bigotry, racism and injustice through courageous conversations and culturally responsive teaching and learning.

We will be communicating more about our evolving plans to address this in the future. Members of the administration are always open to talk to you; and we encourage you to reach out to us to share your thoughts and perspectives. You may reach us at:
