To Novi Community School District Parents and Community Members:

Community Education will be running summer camps this summer. Information can be found at the Community Education page, under CARE, and Summer Camps on our website or here: <https://ecec.novi.k12.mi.us/programs/care>.

Governor Whitmer's Executive Order 2020-110 identified that summer camps could run based on the Licensing and Regulatory Agency (LARA) guidelines. Those have been published and Community Education has reviewed them and feels confident that they can run summer camps safely. Please register online. Community Education will send out more information.

We are still navigating through guidelines for in-person summer school and will have a final answer by the end of this week. We believe that we have a good plan in place, but we need to make sure that we know and understand any requirements from the state before we give the final approval. Please register at the Community Education page or here: <https://ecec.novi.k12.mi.us/programs/summer-school>

Our Board of Education meetings will be held virtually through June.

We are continuing to plan for a return to school this fall. More details on our approach will come by July 1.

Thank you for all the support that you are providing your children. The last few days of school are always difficult. This year it is probably more difficult than normal, but together we will navigate through the end of the school year.

Gratefully and Appreciatively,
Steve M. Matthews, Ed.D.
Superintendent

Students who are passionate, empowered, and prepared for their world and their future.

Dr. Steve M. Matthews, Superintendent of Schools • steven.matthews@novik12.org
