BYOT REGISTRATION INFORMATION

OLM **requires** that students register their devices to verify ownership. To register your device:

go to the website www.mercycatholic.org

Click on "About OLM"

Click "BYOT"

Click "Register Device"

If you have any questions, please call Rebecca Miller 770-461-2202 ext. 405 or email her at miller@mercycatholic.org.

DIGITAL BOOKS

Please **don't purchase textbooks** this year unless notified by a specific teacher. Most of our books will be accessible from a laptop computer. Most textbooks will contain videos, interactive activities, and other resources to assist the students in mastering the content and acquiring skills needed in a specific subject.

There will be a monthly cost of \$20.00 over 10 months (July-May) for this incredible array of academic resources which can only result in a higher level of achievement for every student at Mercy.
