

Dear Kindergarten Families,

We hope you and your family are doing well. We are so excited to welcome your children to Kindergarten this Fall. Kindergarten is a special year, and we look forward to a wonderful experience with you and your child. One of the greatest gifts to bestow on a child is the love of reading. We read ALL the time in Kindergarten!

During the summer, we ask that you read the book Kindergarten Rocks, by Katie Davis, with your child. The transition into Kindergarten is full of excitement and anticipation. This story shares the experience of a student getting ready for this adventure. After reading the story, have a discussion with your child about what he or she is feeling excited or happy about entering his/her new grade. Then, ask your child what he or she is curious or unsure about. Please have your child complete the page below. Your child will have a chance to share his/her picture at the start of the new school year.

Thank you, and have a wonderful summer!

Warmly,

The Kindergarten Teachers

Name: _____

Think about the story Kindergarten Rocks. What are your thoughts about entering Kindergarten? Draw a picture of yourself below the speech bubble, and inside the speech bubble draw a picture of a thought you have about Kindergarten.
