

Online Registration for Athletic Physicals Grades 7-11

Greetings!

We are excited to announce that we are now offering the convenience of online registration for **athletic physicals** through FamilyID (www.familyid.com). FamilyID is a secure registration platform that provides you with an easy, user-friendly way to register for our programs, and helps us to be more administratively efficient and environmentally responsible. When you register through FamilyID, the system keeps track of your information in your FamilyID profile. You enter your information only once for each family member for multiple uses and multiple programs. **This will eliminate the need to fill out the same form every year your son or daughter play sports.**

It will be helpful to have the following information handy to allow for accurate completion of your online registration.

Due to the COVID19 pandemic the school district has not scheduled physicals at the school. We are hoping to schedule 1 day at each the schools, but we will need to wait and see what the Governor's new regulations will allow us to do. If school physicals are scheduled, we will send out an announcement. In the mean time you should make plans to have a physical done at your doctor's office, Med Express (333-3627), or Urgent Care (337-2273).

Before your student athlete goes for their physical, these two documents should be printed and taken to the appointment. They can also be picked up in the school office.
