

## Albany Area Schools COVID-19 Self-Assessment Tool

In an effort to keep our community and facilities safe, all individuals must be screened for symptoms related to COVID-19 upon arrival or prior to arrival.

Symptoms consistent with COVID-19 include:

Individuals experiencing ANY of the listed symptoms will not be permitted on the Albany Area Schools campus.

- new onset cough
- shortness of breath
- fever (100.4 ° F or higher)
- chills
- muscle pain
- sore throat
- congestion
- fatigue
- loss of sense of smell or taste
- gastrointestinal symptoms of diarrhea, vomiting, or nausea
- had direct contact with a person who tested positive for COVID-19 or who is experiencing COVID-19 symptoms

Help prevent the spread of COVID-19 in the Albany Area Schools Community.

**Wash your hands.**

**Stay home when sick.**

**Cover your cough.**
