To Novi Community School District Parents and Community Members:

Ann Hansen, Director of Early Childhood and Community Services, wanted me to share this information about summer camps with you.

Summer Camp begins June 22nd at Novi Meadows 5th Grade House for Pre-K through children entering 6th grade! Please visit the CARE website for registration information. <https://ecec.novi.k12.mi.us/programs/care>

More information about Refresher Summer School and ELL Summer programs will come on Monday.

We are still planning on an in-person summer school experience for high school courses. We are working through details and schedules and making sure that we follow the Governor's Executive Orders. More information will come next week but you can register on the district website:

<https://ecec.novi.k12.mi.us/programs/summer-school>

District facilities will slowly reopen this summer. They remain closed through June 12.

Our athletic program personnel are meeting to discuss how to implement the latest guidance from the MHSAA. There will be organized summer experiences, but none will start at least until June 15.

We are planning on a return to school this fall. We are working on making sure the return to school is successful. Our teachers and administrators will work throughout the summer to make sure that the return in the fall will be well organized and meaningful.

On Thursday, I had the opportunity to speak with Representative Crawford's office. They relayed that our parents have been very good about communicating with them on ensuring that school funding is a priority. Thank you for taking the time to email or state legislators' offices.

Representative Crawford's office wanted me to communicate that Representative Crawford is committed to working with us to support our schools.

We have one week of school left. We have begun the process of letting parents and students return to school to collect personal items. Please be sure to look for announcements from your children's principals about when and how to pick up those personal items left at school.

I hope you have a great weekend.

Gratefully and Appreciatively,  
Steve M. Matthews, Ed.D.  
Superintendent
