Virtual Pottery with: Arcadia Alumni and Certified Art Teacher **Brian Weltzien**.

July 1 hour class

Join class online to see Brian actually make wheel thrown pottery and other hand built projects from start to finish. He will discuss the joys and satisfaction in coming up with creative ideas, and bringing them to life in completed ceramic forms with beautiful glazes and finishes.

Anime Drawing

July 1 hour class

See our very own talented High School art student **Daniela McCannon and Professional, Local Artist Rebecca Van Acker will teach you** how to learn the art of Anime drawing. They will demonstrate different techniques in live or recorded sessions and be able to answer any of your questions along the way while you work from home. **This class will be offered in Spanish as well.**

Digital Design July 1 hour class

Brian Weltzien and Professional, Local Artist

Rebecca Van Acker will give instruction on how your computer can assist in creating wonderful works of art through the use of different apps and programs like; Adobe illustrator, photoshop, vectr.com, and more...

Virtual Art Studio

July- 1 hour class

With: Art teacher **Brian Weltzien** will take you through a variety of artistic skill building drawing and painting demonstrations, videos, assignments that will not only be wonderful "works of art", but also help advance your artistic skills and abilities to new levels. After completing these lessons, you will feel confident in saying that YOU are an Artist!

Middle/High School Summer School Registration

Game Time with Byom

July - 1 hour class

Are you ready to have some fun and play some games? Play some familiar games and learn some new! From card games to board games to create-your-own games. Combining strategy and problem solving - this class will be a great way to have fun with your friends and learn at the same time!

Hooray for Health!

July 1 hour class

This course is about how to create healthy habits while strengthening both your mind and body. It can be "amped up" for athletes craving a challenge, but is open to students of ALL ability levels. Must be willing to break a sweat!

Connecting with Technology

July- 1 hour class

If you have ever been interested in learning about electronics, the newest Inventor's Kit from Microbit is perfect for all students (beginner to advanced). This pocket-sized computer lets you explore your creative side with digital technology, customized controlling and coding. All students who sign up for this course will receive an Inventor's Kit to keep as their own, provided to you by Ashley Furniture.

English for Language Learners:

July - 1 hour class

If you've taken an English class with Ms. Putz throughout the past three years, then this class is for you! In this session we will learn the language of friendships and feelings and we will explore the world through research of cultural celebrations. Skills like grammar and phonics will be an important part of this class, too. Hands on activities/demonstrations through Zoom will make this class extra special! Join this class if you want to practice your English and explore the world!

Social Studies for Language Learners:

July- 1 hour

If you've taken a Social Studies class with Ms. Putz in the past two years, then this class is for you, TOO! We've learned about the Thirteen Colonies, George Washington and the lives of the people he enslaved, and the colonists' fight for independence. But, hey, revolutionary things were happening in México and Latin America, too! Of course you knew that! In this class we will practice our historical thinking skills by exploring colonization and heroes and heroines such as Vicente Guerrero, José María Morelos, Leona Vicario, and Simon Bolivar.

Into the Outdoors

July - 4 hour class ! ONLY 9 SPOTS

This class is for MS 6-8 grade.

Have fun while learning about and experiencing the outdoors. Potential activities include fishing, canoeing, hiking, and more. Limited seats.

Books to Movies

July- 1 hour class

Do you ever wonder where movies find their inspirations? It's from books of course! Each year, books are transformed onto the big screen! But what stays the same? What changes? Is the movie better, or the book? In this course, we will enjoy several great pieces of literature that have been transformed into major motion pictures. After reading, discussing, analyzing, and interpreting the books, we will then enjoy the movie! July Book-
Hunger Game Series

We will look for similarities and differences, as well as the overall theme. So sit back, relax, and get ready to READ!

Woodworking

July 1 hour class

This course is designed to introduce students to general woodworking practices. Students will expand their knowledge and experience through various projects, lessons, and vocabulary.
