Dear Student,

Each school year offers you an opportunity to learn more about yourself and the world around you. The amount of happiness and success you achieve in this pursuit is largely determined by how much effort you put forth.

At Woodrow Wilson, we share a set of beliefs that call upon everyone to make the best use of their talents while recognizing that each of us is a work in progress. Central to our belief system is trying to master the character goals of the 3 R's (Respect, Recognition and Responsibility).

I welcome you to Woodrow Wilson Middle School. Help keep the traditions of a Woodrow Wilson Challenger alive by working hard, supporting one another by being courteous and caring.

Wishing you the best year of your life.

Sincerely,

Jennifer Blevins
Principal

Woodrow Wilson Student Information Section

GUIDANCE AND SUPPORT SERVICES

Each student is assigned a guidance counselor who will help with personal and school problems. Guidance counselors also act as a liaison between home and school. If a student wishes to meet with a guidance counselor, a request slip must be filled out in homeroom. Our school also provides confidential crisis counseling. A representative from UBHS is in our building on a part time basis to help students deal with problems that could be considered a crisis. Students can request to see the crisis counselor at any time. Staff members may refer students to the crisis therapist when they feel it is necessary. Parents are encouraged to work with our support services to ensure their child's success.

THE CLINIC

A nurse is on duty daily in the clinic. A student must have a pass from a teacher to visit the nurse. Any student who is in need of medication during school hours must have written request from a family physician describing the illness and the prescription instructions. A written request from a parent shall give permission to administer the prescribed medication. Students are not permitted to use cell phones to call their parents when they are ill. They must go through the school nurse.

GENERAL POLICIES

In order to keep students focused on their learning process, the following items are to be kept out of sight during the school day:

iPods, cell phones, electronic devices, or anything else that could cause disruption to the academic day. No animals, water pistols, skateboards, or rollerblades are permitted on school grounds. Selling gum, candy or any other item not sanctioned as a school fundraiser, is never permitted and violates Board of Education policy. [During district-wide standardized and/or state testing, the following NJDOE policy will apply: Under no circumstances are students permitted to have cell phones, MP3 players or other unauthorized electronics in their possession during testing. Students found to have unauthorized electronics in a testing room will receive a voided result for that test section.]

[Edison Board of Education Policy 5516.](#)

HOMEROOM

All students are assigned a homeroom. Students must report to their homeroom before 8:30 A.M. every day. It is necessary to report to homeroom for attendance, to receive information from the teachers and other staff, as well as to be informed through general announcements.

ATTENDANCE

Good school attendance promotes learning and a positive attitude toward school. The only recognized reasons for absence from school are: personal illness, death in the family, and religious holidays. Upon returning to school from an absence, a doctor's note is required to excuse an absence. Parents are required to call and report an absence on the days a student

stays home. Students who have been absent legitimately are permitted to make up missed assignments without penalty. Students should report to school between 8:20 am and 8:30 am. Students gather at the entrances on the north side of the building near the library, and wait to enter. Students who are tardy should use the Main Entrance to the building, and then sign in. Upon entering the building, students should go to their lockers, and then proceed to homeroom.

TARDINESS

All students are to arrive at school at the proper time: between 8:15 and 8:25 A.M. Students who arrive after 8:30 A.M. will report to the main office.

LOCKERS AND BACKPACKS

Hall lockers will be assigned by homeroom teachers. Locks are provided, but if you lose your lock, you must pay for its replacement. Replacement locks cost five dollars. Gym lockers and locks will be assigned in Physical Education class. School lockers remain the property of the school, even when used by the students. Lockers are subject to administrative search at any time in the interests of school safety, sanitation, discipline, and enforcement of school regulations. Never give out the combination of either of your locks. As a safety precaution, backpacks, book-bags, and nylon bags are to be left in the lockers during the school day. Chromebooks may be carried in a bag. Students are permitted to visit their lockers as needed provided that they are not late to class.

STUDENT IDENTIFICATION CARDS

Students are required to wear their identification cards during the school day. I.D

cards are used to swipe cards in the cafeteria and school library, gain entry to events such as athletic contests and dances, as well as a means for staff to identify Woodrow Wilson students. I.D cards and lanyards are provided by the school, but if a student loses his/her card, there is a five dollar charge to replace the card.

STUDENT DISCIPLINE

All students have the right to learn and to gain a quality education. Therefore, standards of behavior are set in each classroom by the teachers. Students are expected to abide by the Code of Conduct set by the Board of Education, and included in this book. If a student does misbehave, the teacher is the first person to handle the problem, by assigning detention and/or notifying the parents. If the problem continues, an administrator will intervene, parents will be notified.

Please refer to [Policy 5600 Student Discipline/Code of Conduct](#).

LUNCHROOM PROCEDURES

We encourage parents to prepay for lunches using a check or cash. Checks must be paid to the "Edison Board of Education - Cafeteria Account." Or for an online account, go to www.myschoolbucks.com. The lunch policy states that a student is allowed to forget to bring money for lunch two (2) times. The third occasion a student forgets to bring their money, he/she will not be able to choose their lunch, but will be given a meal that contains a cheese sandwich, vegetable or salad of the day, fruit of the day, and milk. All the lunches, including the cheese sandwich meal, must be paid in full before

the student has the opportunity to purchase the meal of their choice

CAFETERIA PROGRAM AND BEHAVIOR

Students bringing their lunch are to place it in their lockers when they arrive to school. On the way to the cafeteria for lunch, students are to go to their lockers and pick up their lunch. Students are expected to arrive to the cafeteria on time and in an orderly fashion. Students are expected to enjoy their lunch as a time to eat and socialize at their tables, as long as it does not create a disturbance or infringe on the rights of others. Students may NOT bring food from an outside vendor, i.e; McDonald's, Dunkin Donuts, Pizza, etc. Glass containers are also prohibited. Lunch duty teachers and lunch aides will monitor and enforce the general rules in the cafeteria.

LUNCH DETENTION

Students who repeatedly do not conform cafeteria rules will be removed from the cafeteria and placed in the "Student Responsibility Center" to eat lunch. Parents are notified of the detention and offense. Lunchroom supervision is provided to create a positive atmosphere where students can relax, enjoy their lunch and socialize with their friends. Cooperation with basic rules is expected to prevent infringement on the rights of others.

PHYSICAL EDUCATION

All students are required by state law to take Physical Education classes. Students must bring clothing to wear for the gym (shorts, t-shirts, sweats, sneakers). Pupils are required to change for gym in the locker rooms before the class begins. No jewelry is to be worn in gym. Please see the Physical

education policy if a child is unprepared for gym class.

Unprepared 1-3: Physical education teacher will record in Genesis and email parents alerting them of the number of unprepared periods and how it affects the students grade as per the PE policy. If no parental response to email is received, a parent phone call is required.

Unprepared 4 and 5: Student will be referred to guidance to speak to their counselor about why they are not changing. Guidance counselor will follow up with email to parents.

Unprepared 6: Student will receive a failing grade for PE for that marking period. Teacher will complete Student Unprepared Notice documenting the dates. This will act as a discipline referral for insubordination.

PHYS. ED. JEWELRY PROCEDURE

The procedure concerning the wearing of jewelry during Physical Education class is as follows: Students may not wear any jewelry or religious objects (metal, non-metal) during the physical education class. A student who wears a medical alert ID must cover it with an elastic athletic band. Body piercing jewelry must be removed prior to Physical Education class. A student may not place a band-aid or any other wrapping over the body piercing jewelry; it must be removed. Students are instructed to have any body piercing performed during the time the student is assigned to health class. Body piercing is controlled by the student/parent as to where, when and why the procedure is performed and is not relevant to the health of the child; therefore, it is not considered a medical excuse. Any student who brings in a doctor's note (doctors' notes shall be placed in the students' health folders)

stating that this jewelry cannot be removed will be excused from Physical Education class for 10 days and placed in Student Responsibility Center (in lieu of SRC the teacher may utilize the student as an official scorekeeper or some other related capacity). The placement of the student will be decided at the building level, by either the school nurse or the physical education teacher. The Physical Education teacher will provide written assignments during this period. Students excused must still meet the responsibilities of Physical Education class which includes all work, written or physical. We will allow one 10 day excusal for the school year; after that students are subject to the unprepared regulations if they do not remove any jewelry or religious objects. Any student refusing to remove jewelry, religious objects or abide by the procedure outlined above can be referred to the main officer for insubordination. This procedure shall be made available to all students' parents at the beginning of the school year.

BUS SAFETY RULES FOR STUDENTS

Students who are provided with bus transportation are required to act responsibly so

that all riders are assured a safe passage to and from school. In order to ensure and maintain safety on the bus, students are expected to observe the following rules:

- 1) Avoid crowding and pushing when loading and unloading.
 - 2) Remain seated while the bus is in motion.
 - 3) Keep arms and other parts of the body inside the bus.
 - 4) Avoid loud talking, laughter, and undue confusion.
 - 5) Refrain from conversation with the driver.
- Students who misbehave on the bus may lose their bus privileges.

Therefore, if a student violates bus safety rules, he/she can be removed from riding the bus, and the parents will have to provide transportation for their child. Windows should be open only for ventilation, and no objects should be thrown off the bus. Lighting matches, smoking cigarettes and vaping are strictly prohibited. No student will be given permission to ride another bus before or after school, other than the bus to which he/ she is assigned. There is no exception to this rule. The number of available seats and insurance coverage requires that only assigned students can be on the designated transportation.

TEXTBOOKS

All textbooks should be treated with care. If books are lost or damaged, the student must pay for the replacement text.

CHROMEBOOKS

Middle school students (grades 6 through 8) are provided with a Chromebook by the Edison Public School District. Students are permitted to use the device outside of the school building, except during designated school breaks. **Due to high volume of breakage, Parents are encouraged to purchase insurance for the school issued device.** Please see the Mobile Device Handbook posted on the district website for proper procedures regarding the care and handling of the district issues devices

BICYCLES

Students who ride bicycles to school may park and lock their bikes in the rack in front or side of the building. The school cannot assume any responsibility for the security of

the bicycles. Students under the age of 16 must wear helmets; those over 16 may bring in a helmet waiver signed by their parents.

SAFETY/FIRE DRILLS

Fire drills are held once a month. Each classroom teacher will inform students as to where they should go during a drill. Everyone is expected to exit the building in an orderly and quiet fashion. In addition, other safety drills such as lockdowns and evacuations will be practiced monthly.

SCHOOL CLOSINGS

Delayed openings: School begins at 10:05
Bus pick up at 9:35. Whenever it becomes necessary to close school due to inclement weather or any other emergency, the information will be disseminated by the following means:

- 1) School Messenger
- 2) Radio Station WCTC, 1450 AM
- 3) WMGQ, 98.3 FM
- 4) Channel 118

Please do not call the school . It is essential that these lines are kept open.

PLAGIARISM

Plagiarism is stealing someone else's ideas or writing and stating that they are your own without giving credit to the original writer. Plagiarism is a form of cheating. For example, a student is writing a report on the Holocaust and they copy a survivor's account of what it was like to be in a concentration camp without putting the account in quotes and providing information where they found the story. Even if they copy just one paragraph, it is plagiarism. Other examples of plagiarism include cutting and pasting part of an article, video or image from the internet, copying from a

book or magazine article, and/or using ideas seen in a movie or television show. Artists of all kinds including painters, writers, and musicians, work very hard to create original works for the public to enjoy. Their work is protected by copyright laws, which means that they own the piece of music, writing, cinema, sculpture, or art. When you plagiarize, you are stealing their work. Part of demonstrating your writing skills as a student is to show that you can express your ideas in a clear, concise, and original manner. Each of you is an individual and your writing should reveal how unique you are. So why do people plagiarize? Some people do it without knowing. Others are just lazy and they don't want to put in the time to create something original and new. But you should know that plagiarism is CHEATING. You are aware that Edison Public Schools has a policy on cheating, one that each student signs at the beginning of the school year. To avoid plagiarism always cite your references, especially in a research paper. Put quotation marks around words you copy from a text. Ask your teacher how they would like you to cite your references, and if you don't know if you are plagiarizing or not, ask.

LATE BUSES

Late buses are provided on Wednesdays and Thursdays at 4:05 P.M. The buses will stop at centralized district bus stops. Students may use the late buses only if they have been staying after school under the supervision of a teacher (sport, extra help, clubs, and detention). Students must sign up through signup.com link sent to them each week for a seat on the late bus. A late bus for athletes is provided at 4:45 pm.

SUBSTANCE ABUSE (EBOE Policy #5530)

A student who uses, possesses, or distributes alcohol or other drugs will be subject to discipline in accordance with the district's Code of Student Conduct. School authorities also have the authority to impose a consequence on a student for conduct away from school grounds in accordance with the provisions of N.J.A.C. 6A:16-7.5. Discipline may include suspension or expulsion. The Board will establish consequences for a student not following through on the recommendations of an evaluation for alcohol or other drug abuse and related behaviors.

DRESS CODE

The provisions in the dress code for middle school pupils (grades six through eight) in Edison Township have been formulated after careful consideration by a committee representing parent(s) or legal guardian(s), pupils and teachers. These provisions are intended to serve as guidelines in determining acceptable wearing apparel for school and to ensure that the matter of school dress does not become a disruptive factor in the educational process. All clothes should uphold the principles of health and safety. [EBOE Policy #5511](#).

1. All clothes should uphold the principle of modesty. For example, bare midriffs, underwear worn as outerwear, and strapless or see-through tops are prohibited.
2. Pupils should adhere to the practices of good grooming. For example: clothes should be neat and clean; boys are urged to be clean shaven, and slacks and shorts must be hemmed;

3. No apparel that promotes or endorses illegal substances, i.e., drugs, alcohol or tobacco products. In addition, clothing with messages deemed offensive, profane, profane or inappropriate as judged by the administration;

4. Tank tops and sleeveless tops are permitted, but the tops must fall reasonably close to the neckline and fall directly below the underarm to insure that the torso and undergarments are not exposed inappropriately;

5. No sunglasses may be worn during the school day (unless medically prescribed);

6. No short shorts; the pant leg of shorts should have a reasonable extension. "Ripped jeans" should not be "ripped" in areas which could be considered inappropriate as judged by the administration;

Jackets (excluding varsity jackets) that are part of a uniform or warm-up suit, as well as light spring-type jackets or windbreakers, are permitted during the school day with the Principal's approval; Note: On special occasion days, such as School Spirit Day, the Principal is authorized to permit the wearing of hats.

8. Ski masks are not permitted to be worn in school. Any similar types of hats or hoods that hide the face are not permitted and will be confiscated;

9. No sweatbands, gloves, scarves or bandannas may be worn or visibly displayed in the school building.

DIVISION OF CURRICULUM AND INSTRUCTION

Harassment, Intimidation, and Bullying

As stated in [Policy 5512.01](#), The Board prohibits engagement of any act or behavior of harassment, intimidation, or bullying towards others on school property, at school-sponsored functions, or on a school bus. Harassment, intimidation, or bullying means any gesture, any written, verbal or physical act, or any electronic communication that is reasonably perceived as being motivated either by any actual or perceived characteristic, such as race, color, religion, ancestry, national origin, gender, sexual orientation, gender identity and expression, or a mental, physical or sensory disability, or by any other distinguishing characteristic, that takes place on school property, at any school-sponsored function, on a school bus, or off school grounds that:

1. A reasonable person should know, under the circumstances, that the act(s) will have the effect of physically or emotionally harming a student or damaging the student's property, or placing a student in reasonable fear of physical or emotional harm to his/her person or damage to his/her property; or
 2. Has the effect of insulting or demeaning any person or group of people in such a way to creates a hostile educational environment for the student by interfering with a student's education or by severely or pervasively causing physical or emotional harm to the student
- The consequences and discipline for a person who commits an act of harassment, intimidation, or bullying, or who engage in acts of retaliation against a person who reports such an action are presented in the Policy.

Cyber-bullying

As stated in [Policy 5512.02](#), A safe and civil environment in school is necessary for pupils to learn and achieve high academic standards. Cyber-bullying by a pupil in the district directed toward another school district pupil or school staff member is conduct that disrupts both a pupil's ability to learn and a school's ability to educate its pupils in a safe environment. The Board of Education prohibits acts of cyber-bullying by school district pupils through the use of any school district owned, operated, and supervised technologies.

"Cyber-Bullying" is the use of electronic information and communication devices, to include but not be limited to, email messages, instant messaging, text messaging, cellular telephone communications, internet blogs, internet chat rooms, internet postings, and defamatory websites, that deliberately threatens, harasses, intimidates an individual or group of

individuals; or places an individual in reasonable fear of harm to the individual or damage to the individual's property; or has the effect of substantially disrupting the orderly operation of the school. The consequences and discipline for a person who commits an act of cyber-bullying are presented in the Policy.
