Move Up Day Awards - Posted Monday, June 8th

The move up day awards, normally handed out at the move up ceremony to conclude the school year, will be posted in video form on the school website on Monday, June 8th. Awards for ultimate warrior in each grade as well as classroom awards chosen by teachers will be presented to students at this time. Each student who receives an award will be able to get the award when we are able to return to the school building in the 2020-2021 school year. Please go to the website Monday afternoon www.boyslatin.org and watch the awards video to see the students who earned awards.

Warrior of the Week

This Week's Warrior of the Week is our final recipient for the year. This student was nominated by a teacher for his leadership in conversations surrounding the death of George Floyd and the nation-wide protest that have followed. He not only offered insight and thoughtfulness during the student conversation but researched additional information to respond to questions that were raised by classmates during the discourse. For the brotherhood of being an advocate for the value of black lives, for his scholarship to research further to educate peers, and his integrity to model leadership, I take great pleasure in announcing **Landis Bennett** as our Warrior of the Week.

Warrior Shout Out

A huge congratulations to **Hasim Custis-Miller** who was accepted to participate in the John Hopkins University Gun Prevention Program. We are excited for Hasim to represent Boys' Latin in that important program.

In the report cards will be clear instructions for summer credit recovery if your student failed a course and needs to recover a credit in the summer.

Please keep an eye out for your student's report card. If it has not arrived by Monday, June 22nd please reach out so we can get you this important information about your student's academic progress.
