

A Guide to **Summer Reading**

a resource to support SBISD families and
quality reading experiences for kids

a **ReadSBISD** learning resource

How to use this guide

A message for parents

Literacy is
a priority
in SBISD.

Dear Spring Branch ISD Families:

Despite these unprecedented times, literacy is a key priority in SBISD. To grow as learners, students must continue to read and write – whether in person or online, independently or alongside a partner.

We know the challenge of navigating where to start. This guide is designed to help!

What follows are carefully curated lists of recommended summer reading titles for Grades K-8. You will find titles accessible both in print and online, in English and in Spanish, and some that are even available as Audiobooks. All titles are high-quality, engaging books chosen to help foster a lifelong love of reading in your child.

You will also find a Reading Log and Book Bingo board to track your child's progress and challenge him or her to read a variety of titles. We encourage you to share your experiences @SBISD using #sbsd_readers. We cannot wait to see what your child accomplishes!

Thank you, families, for being your child's first and most important teacher. We wish you a wonderful and safe summer filled with unlimited literacy adventures books can provide.

Estimadas familias de Spring Branch ISD:

A pesar de estos tiempos sin precedentes, la alfabetización es una prioridad clave en SBISD. Para crecer como estudiantes, los estudiantes deben seguir leyendo y escribiendo, ya sea en persona o en línea, de forma independiente o junto a un compañero.

Conocemos el reto de no saber por dónde empezar. ¡Esta guía está diseñada para ayudar!

Lo que sigue son listas cuidadosamente seleccionadas de títulos recomendados de lectura de verano para los grados K-8. Encontrará títulos accesibles tanto impresos como en línea, en inglés y en español, y algunos que incluso están disponibles como audiolibros. Todos los títulos son libros atractivos y de alta calidad elegidos para ayudar a fomentar el amor de por vida por la lectura en su hijo.

También encontrará un registro de lectura y tablero de bingo de libros para realizar un seguimiento del progreso de su hijo y desafiarlo a leer una variedad de títulos. Le animamos a compartir sus experiencias @SBISD utilizando #sbsd_readers. ¡No podemos esperar ver lo que su hijo logra!

Gracias, familias, por ser el primer y más importante maestro de su hijo. Le deseamos un verano maravilloso y seguro lleno de aventuras de alfabetización ilimitada, las cuales los libros pueden proporcionar.

Book BINGO

We know that readers have different ability levels when it comes to reading independently. You know your child and their abilities.

We hope you will use this guide to help you support your child's reading this summer. The books listed in our reading lists are in approximate order of reading level.

Some of these books are great for independent reading while others make great read-together books.

Also consider looking at lists for the next grade level for ideas to read aloud to your child.
