

COLLEGE DAY VISITS

Juniors and Seniors are allowed two (2) school days, per year to visit colleges, universities and/or trade schools.

During the “College Day Visit” students must obtain a signed letter (*on college letterhead*) stating the student’s name and date of visit. Upon returning to HHS the student must turn in the signed letter to Mrs. Champion for the absence to count as a college visit.

Please feel free to see Mrs. Thomas in the Counseling Center with any additional questions.
