Dear Parents/Carers

Year 8 and Year 9 students will each be sitting 2 exams in the hall next week. The purpose of these exams is to give the students valuable experience of the protocols required when sitting formal examinations. In addition, we are able to gather the vital evidence required in order to apply for special considerations for students when they come to sit GCSE Examinations.

The exams will be as follows:

Tuesday 4th February Year 8 Maths (1 hour 30 minutes)

Tuesday 4th February Year 8 English (1 hour)

Wednesday 5th February Year 9 Science (1 hour)

Friday 7th February Year 9 Maths (1 hour 30 minutes)

Students should come prepared with the required equipment. It is recommended that they have 2 black pens so that they are able to deal with any potential malfunctions with the first pen.

These exams form part of the ongoing series of assessments that take place throughout the year in each subject and, as such, are no more or less important than any other. Any preparation for the exam will have been provided by the teacher, if appropriate.

Should you require any further information, please contact your child's subject teacher.

Yours sincerely

Mr J Leahy
Assistant Headteacher
