Dear Parent/Carer

Year 11 Consultation Evening
Thursday 7th November 4.30pm - 7.00pm

On Thursday 7th November 2018 subject teachers will be available in school between 4.30pm and 7.00pm in order to discuss with you the progress your son or daughter has made since they began their programme of study in Year 10. Student's interim reports will be sent home in advance and we would encourage you to review these and bring them with you to the Consultation Evening.

We would strongly encourage students to attend with you, in order that they too will be aware of any commendations or concerns expressed by subject staff.

The students will be asked to make appointments for you with those teachers with whom you wish to consult. A maximum of five minutes can be allocated for each interview. If there is an issue which requires more time, an appointment for a later date will be offered. Please note that some teachers teach more than one class so may have a full timetable on the evening.

This is a subject specific evening for parents to meet with their child's subject teachers. Should you wish to discuss matters of a general nature, please contact your child's personal tutor or Head of House after the evening.

This year is a vital year for your child, and we therefore hope you will make every effort to be present.

Please sign your child's journal to indicate whether or not you are able to attend.

Yours sincerely

Adam Mitchell
Deputy Headteacher
