

FARIBAULT PUBLIC SCHOOLS
Faribault, Minnesota

Educational Program
Series 600

TESTING PROGRAM
Code No. 605.2

It shall be the policy of the Board of Education that a comprehensive testing program be established and maintained in order to evaluate the total program of the school district, as well as to provide better counseling service to the students.

The Superintendent of Schools, with assistance from his professional staff, shall develop standards and procedures to evaluate the educational program and student progress within each area of instruction.
