EXTRA CURRICULAR ACTIVITIES - ATHLETICS
Code No. 602.9

It is the policy of the Faribault Board of Education that all students who can benefit from participation in the athletic program, and who abide by the training requirements will be given an opportunity to participate according to the following guidelines.

GRADES 7-8-9

No student shall be cut from an athletic team in grades 7-8-9 because of athletic skill. A student may be dropped from a team for disciplinary reasons or training rule violations.

GRADES 10-11-12

The basic no cut policy for athletics will be in effect for all students in grades 10-11-12 unless necessity, such as inadequate space or staff dictates the need for a cut. The necessity to cut a squad must be discussed prior to that action with the Senior High School Principal and the Athletic Director. A student may be dropped from a team for disciplinary reasons or training rule violations.
