MEALS AND LODGING - STUDENT TRIPS
Code No. 503.9

The cost of necessary meals and lodging will be provided by the School District if such is deemed necessary as a result of a regularly scheduled activity.

A regularly scheduled activity is defined as one that is part of the yearly schedule of activities and for which the student must attend in order to participate. Examples are athletic events, and speech and music contests that are part of the conference or State contest series. It shall not include special trips arranged by other organizations or the group itself.
