Surviving Dependents
Series 480

CONTINUATION IN GROUP HEALTH INSURANCE PLAN
Policy No. 480.1

Section 1. The School District's group health insurance plan is made available to surviving dependents in accordance with state and/or federal continuation of coverage laws provided that:

1. The deceased was a member of the District's group health insurance plan with family coverage on the date of death.
2. The surviving dependent(s) makes application for membership in the group health insurance plan within the timeframes specified in state and/or federal continuation of coverage laws.
3. The surviving dependent(s) pay the full cost of the insurance. Payment is due on or before the tenth (10th) day of the month preceding the month of coverage.

Section 2. Health insurance coverage is available after the period specified in state and/or federal continuation of coverage laws without further evidence of insurability and without interruption of coverage, through an individual policy of insurance or an individual subscriber contract from the insurer offering the Group policy or Group subscriber contract. Such coverage is at the surviving dependent's option and expense. Forms for converting to the individual coverage are available from the District Business Manager.
