VACANCIES WITHIN THE SYSTEM
Policy No. 401.4

All certified personnel may make application for other positions within the school system for which they are certified, providing a vacancy exists, without resigning their present position.

The administration is directed to inform all personnel of positions that are vacant within the system.

In making application for posted vacancies, staff members must submit their application in writing within five days after the notice of position is posted, to the principal, director, or superintendent, whichever is appropriate.
