General Education Articulation Agreement
Between Allen County Community College
and Newman University

1. Newman University (NU) assures the acceptance of any Allen County Community College (ACCC) Associate of Arts and Associate of Science graduate as a baccalaureate degree-seeking student with junior standing.
2. Beginning with the 2012-2013 academic year, NU accepts the Associate of Arts degree and Associate of Science degrees as meeting the Newman Studies Skills and General Education requirements except philosophy and theology which will be evaluated separately. All upper level (300 and 400 level) Newman Studies Core requirements must be met on the same basis as any other NU student.
3. Some NU degree programs have specific General Education and grade point average requirements. ACCC graduates entering these programs must meet these requirements to be part of these degree programs. ACCC students who anticipate transferring to NU should plan their General Education programs accordingly, including lower level courses required in the intended major.
4. The ACCC Associate of Applied Arts graduates are not included in this agreement. NU will assess the records of these graduates on an individual basis.
5. ACCC and NU will include information about this agreement in their college catalogs.
6. This agreement will be reviewed biennially, and may be revised by mutual consent.
7. The agreement will continue in force indefinitely, but may be terminated by either party with notice of at least two years.
