8th Grade Commencement Video

Dear 8th Grade Parents and Guardians,

Thank you for entrusting the staff and teachers of Sunrise to help your child grow, learn, and succeed as they made their way through their middle school years. You have done a tremendous job with this group of students and have made our jobs easy with your support and guidance, in a time when nothing is easy. Continue to be safe, be healthy, and know that your child will be missed by our staff.

Here is the link to a video for a virtual graduation ceremony to commemorate their achievements.:
