

"Food That's In, When School's Out"

COVID-19 "FREE MEALS"

Good news! The U.S. Department of Agriculture partners with the School District of Janesville's School Nutrition Department in your local community to serve free meals.

Meals remain available through August 18, 2020 from 11 AM to 1 PM at all sites listed below in black. Two additional sites (in red) will provide meals beginning July 6, 2020, also serving through August 18, 2020. Children age 18 and younger can walk up or drive up to one of our locations across Janesville to pick up lunch for today and breakfast for tomorrow at the same time. Look for the tent-- we will be practicing social distancing at these locations so you will be safe and not be in contact with others. (NOTE: No Meals will be served on **July 3, 2020.**)

You will literally grab your meals and go.
