

P4 and P5 Independent Release CONSENT FORM

Children enrolled at The European School The Hague (ESH) are delivered to and picked up by parents or a parent designee (VSO, BSO, Bus Service or appointed guardian/care giver). Parents are responsible for their children's safe arrival and departure from ESH.

Children in P4 and P5 may exit school independently only with written parent permission on this consent form. Once permission is granted, ESH teachers will allow these children to leave the school premises, un-accompanied. Parents therefore relinquish the childcare responsibility of ESH staff at the end of the school day, for the child named below.

Please fill out the details below and return to the school email
