

*The Academy of choice for Hastings and St Leonards*

# We are a 'GOOD' school

*Ofsted February 2017*

We are in the top 7% in the country for progress in 2016 

We are "highly ambitious for every pupil and want each pupil to succeed".

"Parents, pupils and staff refer to the Academy's **strong sense of community**".

Our leaders "have established a culture and ethos which uses the Academy's motto '**Pride through Success**', to raise aspirations and strive for excellence".

- Map of the school

There is no doubt the school is a lot bigger than your primary school. However, we will ensure you have the opportunity to find your way around and our student leaders are always keen to help you find your classrooms.

Spend some time looking at the map of the school and see what you notice about the numbers of the classrooms and how you know what floor you are on.

- Home school agreement

With your parents/carers, spend some time reading through the home school agreement.

It is really important we all know and understand what we expect of each other.

We have high expectations of you to me making good choices and being in the right place, at the right time, doing the right thing.

ACADEMY**

- Teaching and tutor group allocations

Senior leaders have been speaking to all of your primary schools over the past few weeks. We have lots of information about your successes and progress at primary school and we are guided by your teachers in how we organise teaching groups and tutor groups.

The majority of the time, you will be with some other students you know from your primary school. They may not necessarily be your best friends but they will be a familiar face.

Remember, we have 300 year 7 students starting with us in September which is a lot of new friends to make.

More information about tutor groups and teaching groups will become available throughout the term.
