

Summer Reading Program

**Summer
is
here!**

It is time for fun!

It is time for relaxing!

It is the
perfect time to
DIVE into
some great
books!!

Each day that you read, complete a line in your chart.

Write down the date, book title and the
number of minutes you read onto the chart.

Only one entry per day, please. Remember to be honest 😊

If you complete one chart, you get a prize!

If you complete two charts, you get a prize level up!

For every chart you complete, you go up an additional prize level!

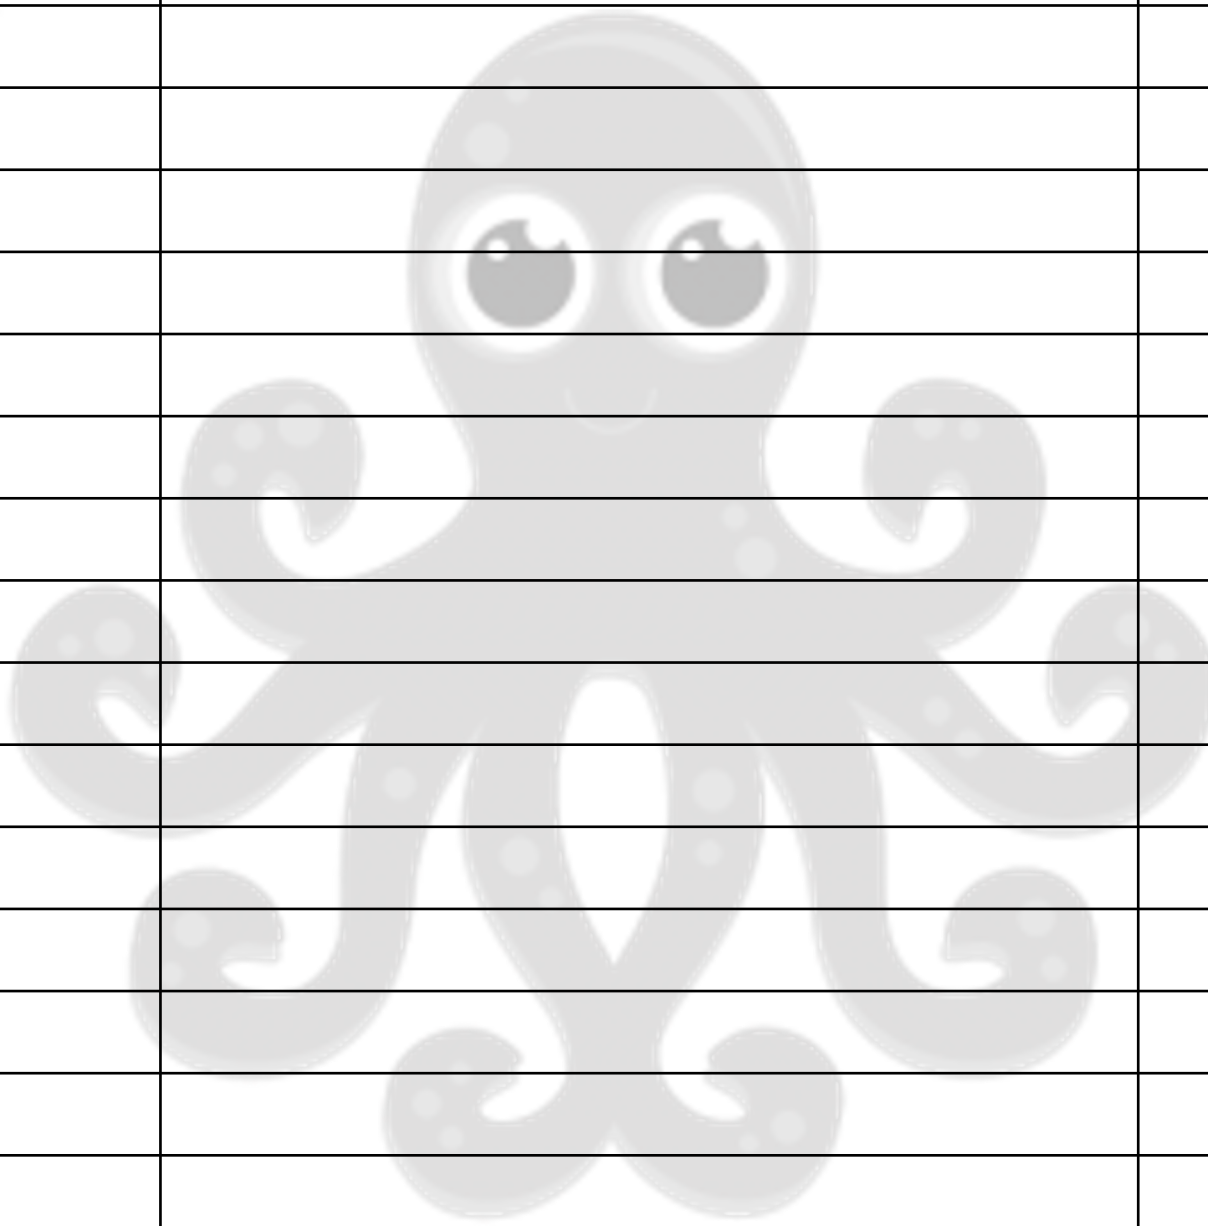

Completed charts are due to Mrs. Beylo (SLS) or Mrs. Smith (in the
ALS library), by Thursday, September 10, 2020.
