

Dear Students:

The following Assignments are completely optional, and won't be graded, they are some tools that will enhance your skills, and you'll be able to show off once we're back.

You will be posting your progress on Edmodo (Instructions attached) and we'll have a check day once we're back. On the Same site, we may keep in contact, posting fun stuff about music.

This Folder includes 2 zip files with

A) Studies

B) Counting/Breathing/Lung Exercises

Download the music sheet that belongs to your instrument, and have fun!

PS. As an extra, you may find the Parts for 'The Mandalorian' theme. If you dare, check your part!
