

YR - Y6 Virtual Golf Competition

**CROYDON SCHOOL  
SPORT PARTNERSHIPS**

# Dominoes

## How to set up?

- Start with marking your teeing off point (an area / line you will hit your shots from).
- Take 3 cups or mugs and put them in a straight line on the floor, one behind the other.
- The first cup/mug should be 1 metre away from you teeing off line, the second one - 50cm further and the third one 50 cm past the 2nd one.
- Be creative - you can use a golf club or - a mop, a broom, a tennis racquet, a frying pan, a plastic bottle or whatever you think may be suitable. Use any ball - golf ball, tennis ball, table tennis ball, spongy ball, pair of rolled socks or a paper ball.

## How to play?

- Practice hitting a ball towards the mugs, so the ball gets inside the mug. It doesn't need to stay in.
- Once you've hit the first mug run and put it to the side. Come back to the teeing off line so you can start hitting the ball to the 2nd mug. Repeat with mug no 3.
- This is a putting game, so your ball should roll on the ground.
- If you're using your golf club this should be your putter.

## How to compete and score points?

- Get your stopwatch or your timer ready and make sure it measures 2 minutes.
- Stand at your teeing off point ready to go. When time starts try to hit your ball to all three mugs.
- Remember to run and put away the mug each time the ball gets in. Always hit from your teeing off line.
- If you manage to get your ball to all three mugs before the end of your 2 minutes' slot, run to re-set up your mugs and continue to play.
- You can re-set your mugs as many times as you want before the 2 minutes' slot ends.
- You get 2 points each time your ball gets into the mug.
- How many points can you score over the period of 2 minutes?
- Use the link next to the video to submit your score!

### Safety!

Make sure you are away from any objects that may break and that nobody is standing in front, behind or next to you, so they do not get hit.

This is very important, so do not start playing until you've checked!
