

Virtual Concert

The Region 14 Virtual Concert is a representation of the work the music students and teachers have been doing in their classes during distance learning. Due to the overwhelming response from the students the concert is the first of a series of concerts to be released to the community with our next concert planned for Friday June 19th. We thank you for your continued support of the Fine Arts in the Region 14 School District.

Dr. Bouchard
Director of Fine Arts
