It is time to celebrate you and all who have supported you on this journey. We are proud of you and cannot wait to celebrate with you today at the **Clap Out/Car Parade at 1:00 PM**. First, enjoy the two videos below. The first video is the 5th Grade Recognition Ceremony. The second video is filled with messages from your Chatham Park teachers and staff. Again, we are all very proud of who you are and your responses to the challenges you faced thus far. It has not been an easy road. Nothing worth having will ever be easy. Opportunities are often disguised as hard work and unpleasant. However, you are not done. You have so much more to give. We expect that you will carry that Bulldog Power forward to the Middle School because you are BULLDOG STRONG! We will see you soon :-). Congratulations!

With love and gratitude,

Dr. Jabari Whitehead
