How will this help my student with school?

Digital content at WCLS helps with **reports and projects**, including:

- Britannica Online: an online encyclopedia with three versions for kids, teens, and adults, including images, audio, and video.
- Culturegrams: a geography resource to help students learn about different countries, states, and provinces.
- History Study Center: a collection of historical documents and maps for researching a variety of time periods.
- SIRS Discoverer: resources for understanding the pros & cons of issues, current events, and more.

Encourage reading with:

- eBooks: thousands of titles for every reading level with a wide range of topics and genres
- eAudiobooks: popular on long bus rides!
- digital magazines: over 150 titles

Help prepare for standardized tests and career exams, including:

- AP tests TERC
- ACT & SAT
- Career exams such as Cosmetology, Real Estate and Law Enforcement
- Scholarship searches and financial planning tools
