I/We the Parent(s) Guardian(s) of the above student wish to have my/our daughter ride the Mother McAuley Bus during the 2020/2021 school year. I/We concur with the behavior expectations for student riders. All riders on buses chartered by Mother McAuley HS are considered to be at a school sponsored event. Therefore, all students are expected to show respect, order, and to listen to authority just as they would inside the school building. Failure to abide by bus regulations can jeopardize the student's safety and may result in immediate and permanent removal from the bus program and possibly the school. Please note: Routes are subject to change or possible elimination based on the number of riders. All routes are determined by the bus service. You will be notified in August regarding pick up times.
