

THE PENNINGTON SCHOOL  
STUDENT SPENDING ACCOUNT AUTHORIZATION FORM  
BOARDING STUDENTS

For the convenience of parents, students may maintain a Student Spending Account at The Pennington School. The main purpose of this account is for a weekly allowance, but it may also be used for other things such as college application fees, physician and pharmacy fees and co-payments, music lessons, and tutoring charges. To establish this account, parents must make a deposit with the Business Office for this purpose. The suggested WEEKLY allowance is at least \$25.00.

To set up or add funds to the student's spending account, please make a check payable to **The Pennington School Student Spending Account**, and note the student's name on the check.

If you choose to exercise this option, this form is to be returned along with the other forms required prior to the start of the upcoming academic year.
