

Design & Build Kit

Cost: \$40 (includes shipping)

Workshops that use this kit:

Alphabet Architecture Workshop

Animal Imagination Workshop

Arcade Building Workshop

Machines that Move Workshop

Modern American Architecture Workshop

Important Note: If you are a first-time attendee to any Design and Build Studio workshop, you must purchase a 3Dux Design Kit **2 weeks prior to the start of your first workshop.**

The 3Dux Design Kit comes packed with the materials you need to successfully participate in each Design and Build workshop! Additional supplies like common household items (paper, glue, scissors, etc.) **are not included** but they are specified if required for any given workshop. The kits are specially designed to be used for multiple workshops throughout the summer.

If you have the following materials (*see supply list below*), you do not need to buy a kit:

- 45 Connectors*
- Cardboard Complete Kit (50 pcs.)
- 10x7x1.5" gloss white Box
- Toy Dog
- AA Battery Holder
- 2 Alligator Clips
- 2 Straws
- Conductive Tape 24"
- 2 PomPoms
- 2 Metal Clips
- Ziplock Bag
- 4 LED Lights
- String 24"

*3Dux connectors fit most shipping box cardboard. You can use your imagination and add to the shape collection by making your own!
