**This is a general Health Assisting activity. Please make sure you are checking your BPS e-mail and Microsoft TEAMS for updates from your teachers. They will be sending you other activities that are specifically designed for your class.**

### **Dear Future Health Assisting Student**

For this week's assignment, write a letter to a future Health Assisting student that informs them about the program and provides some insight and guidance for what they need to do to be successful. Use the following questions to help guide your letter:

- What was your favorite part of Health Assisting?
- Talk about one thing you would have done differently in the courses.
- Identify and explain the top three (3) things a student needs to do to be successful.
- If you could leave future students with one piece of advice, what would it be and why?

When you are finished with your letter, save it to your Office365 OneDrive and then share it with your teacher.
