

## VOCATIONAL AND CAREER EDUCATION

**This is a general Vocational Education activity for Automotive Technology, Construction Technology, and Graphic Communications. Please make sure you are checking your BPS e-mail and Microsoft TEAMS for updates from your teachers. They will be sending you other activities that are specifically designed for your class.**

### CTE Video for Massachusetts Schools

Participating in Distance Learning has definitely been a challenging experience for all of us. Below is a link to a video of students all across Massachusetts that have been successfully engaging in Distance Learning activities. Watch and enjoy!

After watching the video, please answer the following prompts:

1. Write down three (3) things you noticed while watching the video.
2. Write down two (2) questions you have about what you saw.
3. Write down one (1) way you can better engage in Distance Learning for the remainder of the school year.

\*Save your work to your Office 365 One Drive and feel free to share it with your teacher!
