

YEAR 5 WEEKLY HOME LEARNING – W/C 15.06.20

Have a go at as many of the tasks as you can. You can choose which ones you do each day.

A book I recommend...The Time Traveller Diaries by Caroline Lawrence

Focus spelling words for this week:

- appreciate
- bruise
- category
- dictionary
- government
- marvellous
- restaurant
- stomach
- thorough
- yacht

Keeping Active

The Specsavers 'Virtual' Sussex School Games.

Don't forget to sign up and represent our academy in the School Games. A new sport every single week with challenges suitable for all.

Maths

White Rose have produced some great home learning so you can keep up to speed with your maths learning. Take a look at <https://whiterosemaths.com/homelearning/year-5/>

We are thrilled that we are able to keep in touch with many of you on Twitter and Facebook. Please continue to share with us!
@MrGerrard_RSW @MrsWright_RSW

Max buys a shirt and a jacket.

The jacket costs £25 more than the shirt.
The total cost of the shirt and jacket is £87. How much does each item cost?

There are several different farmland habitats e.g. hedgerows, wheat fields, a farm pond, wild flower margins (edges of field) or an oak tree (in the middle of a field). Choose one of these habitats and create a food chain for the animals that may be found there.

It is Father's Day on Sunday 21st June. Can you find out how it started and why we celebrate it every year? Be creative in the way you present your findings.

Can you write a poem that includes all of the focus spellings for the week? Can you write in 100 hundred words or less?

Use your imaginations to come up with different types of animal walks! Imitate bears walking, or run fast like a cheetah. Waddle like a penguin, or pretend to swim through the ocean like a dolphin. Get a family member to film you doing the different walks.

A plank of wood is 4.6 metres long.

These three lengths of wood are cut from the plank.

What is the length of the wood left?

The summer solstice is celebrated round the world every year on or around between the 20th and 22nd June. Complete some research about this event. Where is it celebrated in this country? Why is it celebrated? What do the celebrations entail?

Henri Matisse is a famous French artist who used a number of different techniques during his life time. Look at some of the paintings he did and then choose a style you like to create your own art work in that style.

Fruit is an important part of our diet. Choose a fruit that you find in shops a lot at this time of the year and write a diary of their life as a fruit from growing to being sold.

Use this image to write a short story.

Where is this house? Who lives there?
What happened there? Why does it look so run?

The mass of 1 cube and 4 cones is 110 g.

The mass of 1 cube and 2 cones is 72 g.

What is the mass of 1 cube?

You have been asked to design a new car for the Formula 1 team Mercedes-Maclaren, which will be raced when the season starts again in 2021. On your design you will need to include the materials you will be using and why.
