	30	30	30

Fee exemptions: All exemptions below are contingent on NO catering, custodial, technical, or other service staff necessary for the event.

1. *NWCC organizations are exempt for nights and weekends only if a NWCC representative for the NWCC organization hosts, attends and assumes responsible for the event. If service staff are necessary for the event, fees are required.*
2. *Non-Northwest educational groups, governmental agencies, non-profit (501c-3), and civic groups are exempt from weekday rental fees. These organizations are NOT exempt from night and weekend rates, regardless of status listed above.*
3. *Fund raising events, donation collections, event registration fees, ticket and/or concession sales: If any non-Northwest organization collects funds as listed above, then all rental fees are required, regardless of non-profit status, regardless of event time or day.*
4. *Political Organizations for the purpose of elections are not exempt.*
5. *Non-Northwest organizations wishing to seek fee exemption status, other than those listed above, must be specifically approved by the President. However, these organizations must begin the exemption request process with a reservation request through the Facilities Use Coordinator and complete the full registration process. This is the ONLY way to guarantee that the requested calendar date will be reserved.*
