1. Call to order: 5:05 p.m.

2. Suffield High School Capstone Update

The Capstone Committee presented ideas for the Capstone project which is currently a graduation requirement for the class of 2023 and beyond. The Capstone Committee provided various pathways for students to complete the project of the course of their high school experience. The capstone will allow students to put into action the school's core values and beliefs for all students, and will culminate with the sharing/presenting of their final project.

3. Grading and Distance Learning Update

Administration shared their perspective on how distance learning proceeded through the various phases and in all schools (grade levels). The results of the parent survey were presented as well. Areas of strength, growth and opportunities were discussed.

4. Adjournment: 7:10
