**Our Mission: To prepare for the safe return of our students and staff.**

- **Direction from the Superintendent**
  - (1) Mt. Lebanon School District Cyber Academy
  - (2) Green - back to school full time - address to the fullest extent possible the CDC guidelines and recommendations from PDE.
  
- **Sub-Committee Updates** - Focus on preparedness for presentation of action plans to the Steering Committee, cross committee needs, and issues/concerns
  - **Academics**
    - The Academic sub-committee will focus on developing an online school option to offer families for the 2020-2021 school year
    - Academic sub-committee planning will also include the opening of school buildings with face-to-face instruction based on Green Phase requirements.
  
  - **Physical/ structural**
    - The Physical/Structural committee will continue their planning for purchasing the necessary materials and equipment, developing cleaning and disinfection protocols based on the recent guidelines from PDE and CDC.
  
  - **Financial/HR**
    - The Financial and HR committee sub-group will work with employees to ensure their safe return to work.
    - Will identify those who are interested in playing a role in online instruction.
  
  - **MEPB Health**
    - The MEPB Health group will continue their work on plans for the return of students focusing on mental health and well being.
    - The Health Supervisor will continue to assess needs.

- **Survey Results**

- Family/Community
- Staff
