

School supplies list

2020-2021

5th grade, CM2, FASRI

Dear parents, the 5th graders teachers chose this year to ask you for a very minimal list, the school will provide the rest. Please make sure they have enough refills all year long.

Chers parents, les enseignants de CM2 ont pris la décision de vous demander de n'acheter que le minimum, le reste sera fourni par l'école. Veuillez à contrôler régulièrement les affaires de votre enfant afin qu'il dispose toujours de ce minimum utile.

Please, don't forget to bring back the Geography, Sciences, History, Poetry and Study of Language and Maths Lessons notebooks from CM1 in September if your kid has them at home. Thank you very much.

Supply list for Art class

To prepare for the fact that students will most likely not be sharing supplies next year, I am suggesting a list of basic art supplies for each student to have available:

- - a sketchbook (Students can bring back their black sketchbook. It might need mending)
- - a pad of heavier mixed media paper (9x12 inches or more)
- - a watercolor pan set
- - 2 or 3 thin watercolor brushes
- - an oversized t shirt to be used as smocks
