

Soccer Families,

I hope this finds you and your family well. As the school year ends, I just want to reach out and communicate about fall soccer and summer soccer opportunities. As far as fall soccer, I really don't know any more than any of you; but I will try to keep people up to date as information is communicated to me. Our thinking is to hope for the best and prepare for the worst. The first official day of fall soccer practice would be Monday, August 17.

In terms of summer training options, we have decided to offer summer training for three weeks from:

July 20-25

July 27-August 1

August 3-7

This training would:

- have player safety as our #1 priority
- follow all NFHS, MDH, and CDC Standards
- be voluntary – players/families should only participate if they feel 100% safe
- be non-evaluative – this is training, not try-outs
- be 2-3 times a week, in the evenings, possibly Saturday mornings
- be free
- be run by the high school coaching staff
- be at EPHS (some sessions could be run remotely, using Zoom, etc.)

I will know more about specifics (groupings, times, etc.) once I get an idea of what the interest is. So here's what I need from you:

Please respond to this email by Friday June 19th, either yes, I'm interested in summer training, or no, I'm not interested. NOT RESPONDING MEANS YOU'RE NOT INTERESTED.

Also, I will post current information on the Boys Soccer page on the Eden Prairie High School athletics website:

Feel free to contact me at any time.
