IF YOU HAVE ANY SCHOOL ITEMS (LIBRARY BOOKS, BAND/MUSIC SHIRTS, CLASSROOM BOOKS, ATHLETIC ITEMS) THEY ARE DUE BACK IMMEDIATELY.

OFFICE HOURS THIS WEEK: 8am-2pm.

The front entry area has boxes for returned items.

Parents,

We want to thank you for your commitment to working with our staff to ensure our students, your children, are continuing to grow and learn during this time of remote learning. Our hope is to return to face to face learning in the fall. This week we sent very little work home to your child, as we are wrapping up our learning for the year. So, please know, if your child says, "I have all of my work done," and its Monday afternoon, they are being honest with you.

There are a wide variety of school supplies, chrome books, library books and other materials we have sent to our students over the past few months. We would love to spend this week collecting those back and inventorying those items. Please take some time to look around your house, your children's room, and other places your child completed their homework and gather anything that belongs to the school and return it by Thursday. Our office will be open from 8am-2pm. We would love to have all of the Middle School items returned to the Middle School, but if it is more convenient for your family to return some of the items to an elementary school, we are able to collect items from our elementary schools. *Please clearly mark Middle School and your child's name* on the items so they get credit for returning the supplies.

We hope to see all of you in the fall!
