

Outdoor Science School Clothes Closet

As Lee's Outdoor Science School date is approaching, you will have the opportunity to visit the District "Outdoor Science School Clothes Closet." Over the past several years, the closet has accumulated jackets, pants, boots, gloves, and many other clothing items your child may need while at OSS.

The closet will be open for your child to try on and "check" out clothes to use during our time at OSS. Both you and your child must be there to try on and check out clothing.

Location: Rossmoor Elementary School
3272 Shakespeare Drive

*You can enter the parking lot off of Shakespeare and can park in the parking lot. The Closet is located at the end of the parking by the bike racks and before the exit. It is a room on the end of a classroom building.

Date: Tuesday, February 11th from 4:30-5:00pm

Clothing return to Lee date: MUST Return Mon., March 9th and clothing items should be cleaned - ready for next school to use.

If you are unable to make the assigned date, or have any questions you can contact the OSS Coordinator, Mrs. Salter, at asalter@losal.org, or you may speak to your child's 5th grade teacher.
