Like a challenge? Participate in the IDEAL School's **Super Summer Readers** challenge. As a school, we aim to read a collective 75,000 minutes through June, July, and August! Enter your daily minutes using the link below. If you don't want to log in each day, keep track on the sheet below, and enter your data weekly. At the beginning of the year, our school's top readers will be celebrated and awarded a special prize!
