Contractor(s) may extend the bid price guarantee through written permission to the District.

**BID PRICES**

In the event of discrepancy between the unit price and the extension, the unit price will govern. The District assumes no responsibility to recalculate totals if award is made on the basis of totals.

**BID PROPOSAL FORM**

All bids are to be written in by typewriter or ink in a legible manner on the official Bid Proposal Form. Any bid price showing any erasure or alteration must be initialed by the bidder in ink, at the right margin next to the altered entry. Failure to initial any erasure or alteration may be cause to disqualify that particular bid entry. If the disqualified entry is a required one, the entire bid may be subject to rejection, so please fill out all entries with care.

The Bid Proposal Form must be duly signed by the authorized representative of the company in the appropriate space, at the end of the Bid Proposal Form. Failure to sign the Bid Proposal Form may be cause to disqualify the entire bid.
If the Bid Proposal Form contains more than one sheet, then bidders are requested to affix the company name and address on each intervening sheet between the front sheet and the signature sheet which already bear the company information.

The District will not consider any bid on which there is any alteration to, or departure from, the bid specifications. Bidders are not to make any changes on the Bid Proposal Form, or qualify their bid with conditions differing from those defined in the contract documents. If bidders do make changes on the Bid Proposal Form, except as noted above for initiated clerical mistakes, it shall be cause to disqualify that particular bid as non-responsive N.J.S.A. 18A:18A-2(y).

Bidders are to submit one bid price per item. The District will not accept multiple bids on an individual basis, nor will the District accept a “bottom line” or “all or none” bid subject to the bidder receiving the entire contract.

**BIDDER COMMENT SHEET**

This form is for bidder’s use in offering voluntary alternates, or other comments intended to afford the District information or opportunities to improve the quality of the project, without invalidating the bid proposal. It may not be used to take exception to specific conditions of the project defined in the contract documents which the bidder does not like. The bid provided must be based upon the plans and specifications, and all contract conditions, as stated. If these documents or conditions contain some untenable item, or extremely expensive provision, for example, to which the bidder wishes to raise objection, this must be done at the prebid meeting, or in writing to the Architect or Purchasing Agent through the question process outlined in the Instructions to Bidders. Such inquiries will have response issued by addendum only, and the resulting decision circulated to all bidders of record.

**BIDDER’S RESPONSIBILITY FOR BID SUBMITTAL**

It is the responsibility of the bidder to ensure that their bid is presented to the Business Office and officially received before the advertised date and time of the bid. It is understood and agreed upon that any person in the District will be absolved from responsibility for the premature opening of any bid not properly labeled and sealed.

**BRAND NAME OR EQUIVALENT**

Whenever the District requests a brand name for a particular item, it will consider a “brand name or equivalent.” If the bidder desires to bid an equivalent item the bidder shall do the following:

1. On the Bid Proposal Form, write in ink next to the item requested, the bidder’s substitute item, including brand name, model number and full description of item. This is the only change to the Bid Proposal Form the District will accept.

error or an unintentional omission or both.

The request to withdraw a bid after the bid opening may be reviewed by the Purchasing Agent, the Director of
Facilities, other interested administrators; and the Architect of Record for the project (if necessary) and/or the Board Attorney
and a recommendation will be made to the Board of Education. If the Board of Education grants permission to have the bid
withdrawn the contractor/vendor shall be disqualified from bidding on the same project if the project is re-bid. If the
contractor/vendor fails to meet the burden of proof to have the bid withdrawn the request to withdraw the bid will be denied
and if the contractor/vendor fails to execute the contract the bid guarantee will be forfeited and become property of the Board
of Education.
